Application for Conservation Project Funding

Vya Conservation District (VCD) has funding available on a cost-share basis for projects which will enhance rangeland health within the Vya Conservation District. Our goal is to help the landowner with their share of the project cost. Project proposals can include such things as water developments, Sage Grouse initiative projects, weed control, and other projects which will further the goal of improved natural resources. Projects can be on private or public land. All projects must be evaluated by VCD and may require a site visit by one of our supervisors before funding approval.

Applications will be reviewed by the VCD at each of our regularly scheduled meetings. Applications may be funded at the discretion of the Board. Applicants must submit their projects in person or by teleconference at a VCD board meeting. Funding is limited and will continue if funding is available or until the Board of Supervisors chooses to terminate the program.

Contact Information

Date Submitted: _____

Name of Applicant: _____

Name of Entity (i.e., Jones Valley Cattle Co.) _____

Mailing Address: _____

Email address: _____

Phone number: _____

Project Information

Name of Project: (i.e., Jones Ranch Sage Grouse Habitat Improvement)

Physical Location of Project: _____

Estimated/Full Cost of Project: \$ _____

Other Entity Funding (NRCS, NDOW, F&WL, etc.) \$ _____

Other Funding Sources: \$ _____

Landowner Share of Project Cost \$ _____

Amount requested from Vya Conservation District \$ _____

Project Description: Describe your project in detail, including how it meets conservation needs in your area. Attach additional pages if needed.

Completion date/estimated completion date: _____

Project Costs

Provide a brief explanation of your costs below.

Materials Costs (i.e., Pollinator plants--\$1,500; fertilizer--\$60) _____

Equipment Costs (i.e., Backhoe to dig trench for hedgerow, 5 hrs. at \$80/hr--\$400)

Labor Cost (i.e. Planting pollinators for 3 hrs. at \$15/hr--\$45) _____

Documentation

- Please attach receipts, invoices, spreadsheets, etc. to document the costs incurred in your project.
- Project pictures: Attach “before” and “after” pictures of your project.

The undersigned applicant authorizes the VCD to share information and pictures regarding this project with other natural resource agencies to assist us in evaluating the proposed project for approval and funding. The VCD may also use the information and project pictures to promote our Cost Share program to the public.
